

Be a Part of the IWC 2018 World's Championships Event!

We have come up with a unique way for everyone to support the IWC World Championships and would like to share with you a couple of ways you can be part of it. If you go to <https://www.imacworlds.com/team-usa.html> you will see the examples available to all of the options in the banner scrolls.

Business ADS

First as a business, small or large, you can contribute \$100.00 to the IWC and we will custom create a header banner in the scroll which will be shown to all World's Pages and shared via Social Media to advertise your business and your support to the event. These banners can be linked directly back to your Business Website! Drawing traffic to your business.

Club ADS

Second option is any AMA or International Club can donate \$50.00, again to show their support to the IWC event. Again these can be linked directly back to your club's website and custom created.

Individual or Team ADS

And third option is wishing any individual pilot or Team your best wishes to their participation in the IWC event. These ads are priced at \$25.00 each and with a picture can be custom created to individual or team.

If you are interested in supporting the IWC World Championships in any of these options. Please contact miniacworlds@gmail.com for more information and how to join the team!
